Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant felt that Erlanger did not read onto the "debtor of a lender" limitation, and the Applicant wanted to come to an agreement about patentability before scheduling an in-person interview. The Examiner informed the Applicant that an in-person interview could be scheduled at their request; however, the Applicant wanted a detail explanation of how Erlanger read onto the limitation. The Applicant stated that they were under time constraints; therefore, the Examiner advised the Applicant to file a response with arguments. .
